- Age: 22

EXPERIENCE

Tech Support Service Representative

Sep 2025 - April 2026

Teleperformance

- Diagnosed and resolved TV and remote issues, coordinated service technician dispatches, and processed equipment replacement orders.
- Assisted customers with bill inquiries, applied discounts and cost-saving adjustments, and updated service packages to better align with their needs and budget.
- Upsold premium packages and add-on services, leveraging promotional offers to both enhance customer value and drive sales.

Software Developer Intern

2024 - 2025

LC Studios

- Developing real-world applications while continuously upskilling in new technologies and frameworks
- Collaborating in agile team environments to deliver software solutions
- Expanding technical expertise across multiple programming languages and development tools
